

B&T handguard for SIG 550/Stgw 90

B&T handguard for SIG 550/Stgw 90

This handguard is the perfect addition for the SIG 550/Stgw 90. Thanks to Picatinny/NAR-rails on all four sides of the handguard, optical devices, night vision or thermal sights, tactical lights and lasers as well as fore grips and bipods can be mounted quick and easily. This enhances the combat effectiveness of the rifle significantly.
